Search for Jobs

Step 1: View all available jobs by clicking on the *Jobs* section on the left hand navigation.

You can filter by Name, Location, and Job Type

Step 1: You can save jobs you're interested in to apply later or you can click "*Apply Externally*" to apply immediately.

The screenshot displays the 'Jobs' section of the University of Notre Dame's career portal. On the left, a navigation menu includes 'Explore', 'Feed', 'Inbox', 'Jobs' (highlighted with a green box and an arrow pointing to the main job list), 'Events', and 'Employers'. The main content area is titled 'Jobs' and features a search bar with the text 'Search jobs', a location dropdown set to 'Location', and filters for 'Full-time job', 'Internship', and 'Part time'. Below the search bar, it indicates '10K+ jobs found' and 'Most relevant'. A list of job postings is shown, including 'Wilson Sheehan Lab for Economic Opportunities Pre-Doc | LEO (start dates: summer 2026)', 'BlackRock 2026 BlackRock Full-Time Analyst Program', and 'Wells Fargo 2026 Markets Early Career Program - New York City'. A green box highlights the 'Apply Externally' button on the first job listing, with an arrow pointing to a callout box. The callout box contains the text: 'You can save jobs you're interested in to apply later or you can click "Apply Externally" to apply immediately.' The job details for the first listing are expanded on the right, showing the employer logo, name, and contact information, followed by the job title 'Pre-Doc | LEO (start dates: summer 2026)', location 'Notre Dame, IN', and a 'Save' button. Below this, a section titled 'At a glance' lists benefits like 'Paid Medical, dental, and vision coverage plus paid time off', location 'Onsite, based in Notre Dame, IN', and job type 'Job Full-time'.
